

BALIKSG User Journey

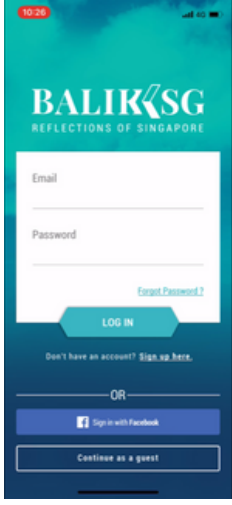

1

Click on the icons below to download the BALIKSG AR App.

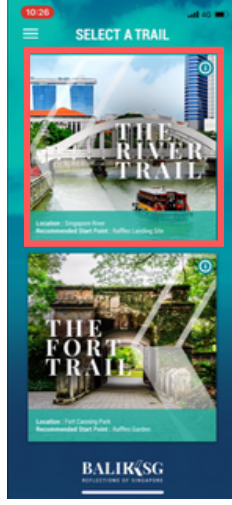

2

Login by creating an account or via Facebook. Alternatively, you can also access the app as a guest.

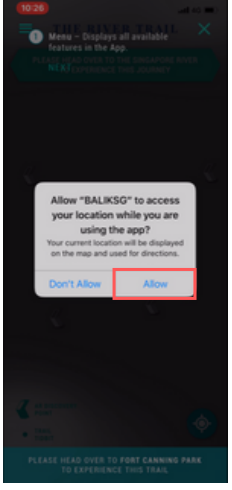

You are highly encouraged to create an account to prevent loss of data.

3

Click on "The River Trail".

4

Allow the app to access your location.

5

A tutorial will appear. Click on "Next".

(This tutorial will go through 7 key features of the app)

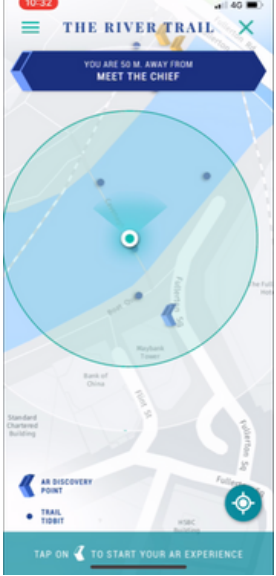

6

The map of the trail will be displayed.

Head towards one of the AR discovery points, which are marked with .

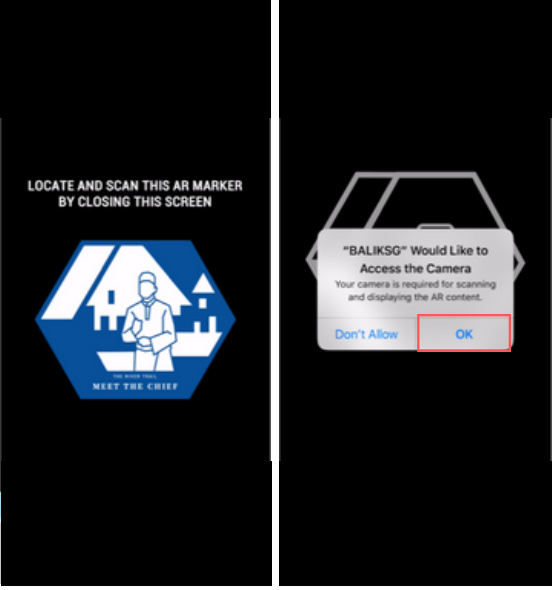

7

The yellow icon will turn blue when you are near an AR discovery point.

Click on it to start your AR experience!

8

The image of the AR marker for the selected point will appear.

Allow the app to access your camera by clicking "OK". This is required to complete the jigsaw piece.

9

Search for the physical BALIKSG AR marker and scan the AR code.

10

Explore and interact with historical characters and revisit significant events.

11

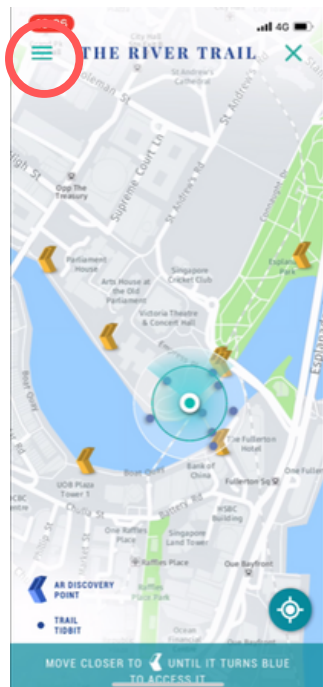

You can find a jigsaw piece at every AR discovery point. Click the jigsaw piece icon at the lower right hand corner to activate it and follow the white dotted line to find the jigsaw piece.

12 Once done, head to the other AR markers for the remaining jigsaw pieces. Collect at least 6 jigsaw pieces to complete this challenge.

Access to Mementos Collected

1

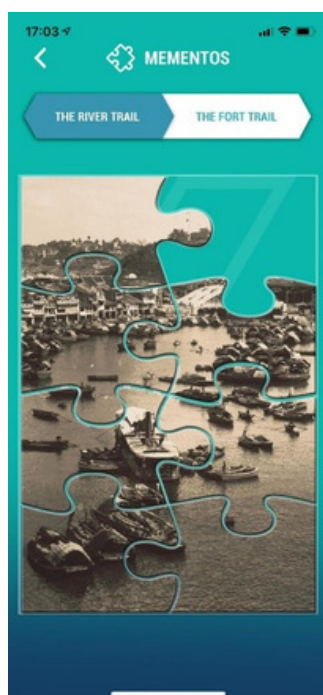

Click on the menu bar  on the top left corner.

2

Click on

3

The jigsaw pieces that you have collected will be displayed here. Collect at least 6 jigsaw pieces to complete this challenge.
